

Bike to School Day

[Royal Oaks Elementary Bike to School Day is Wednesday, May 9th!](#)

The annual [Bike to School Day](#) is coming up on **Wednesday, May 9th!** Biking improves students' performance in school, gives them much-needed daily exercise, allows them to have fun with their friends, and helps reduce air pollution and traffic congestion around schools.

Even bus riders can participate by being part of a bike train. Most neighborhoods can reach Royal Oaks in thirty minutes or less using off-street bike trails and crossing at signaled crosswalks. Here is a link to the map:

For more information about Bike to School Day and volunteer opportunities, please contact Peter Grasse at petergrasse@gmail.com or Dr Susan Risius at srisius@sowashco.org.

Helmets are required for participation.
