Spotlight on ROES

At Royal Oaks Elementary School, teachers and staff members focus on supporting students academically, socially and emotionally. Each school day at ROES starts with social-emotional learning time in which students get to know each other and learn about respectfulness, kindness, accountability and self-control. ROES students have the opportunity to take part in fine arts such as art, band, choir and orchestra.

Teachers at Royal Oaks personalize learning for students by building relationships. Each student meets with their teacher before the start of the school year and teachers continue working one-on-one with students throughout the year. ROES welcomes community involvement and hosts several community events during the year. The school also has an active Parent Teacher Association (PTA).
